

OASIS ENERGY NEWS

Volume 1 / Issue 2

Happy March

Our monthly newsletter is to share and be able to update all our employees and guests in the event that they miss something new and exciting at Oasis Energy!

Daylight Saving Time Starts

Sunday, March 11, 2018, **2:00:00 am** clocks are turned **forward**

Sunrise and sunset will be about 1 hour later on Mar 11, 2018 than the day before. There will be more light in the evening.

Fun Facts about Calgary:

- In 1884, with a population of 4000, Calgary was officially proclaimed a city
- Calgary sits at 1048 meters (3,438 feet) above sea level
- The sun shines on average of 2,300 hours a year. It's Canada's sunniest major city
- A Chinook in Calgary can raise the temperature by as much as 15C and in a few hours you can go from parkas to short sleeves
- The coldest temperature ever recorded was -45 C (-49F) in February, 1893. The warmest day ever recorded was 36.1C (97F) in July, 1919.

THINGS TO DO IN CALGARY YEAR ROUND

Check out www.calgarydowntown.com/index.html for all the what's going on in Calgary events, this website is a resource full of information A must visit site!

And of course, don't forget **St. Patrick's Day** Saturday March 17th, even if you are not Irish you will wish you were on this day! For those of you who want to know what a heroic man St. Patrick was go to

https://en.wikipedia.org/wiki/Saint_Patrick

ENERGY INFORMATION WEB SITE

Check out <https://energynow.ca/> for all the daily trends in Canada and around the World

Another cool Market & Energy site <http://www.marketwired.com/>

In order to carry a positive action we must develop here a positive vision.

Dalai Lama

MARK THE DATE THE WORD IS OUT!!! THE PANDAS ARE COMING

Experience a world of cuteness at the Calgary Zoo's Panda Passage

May 2018, the Calgary Zoo welcomes four giant pandas. Adult pandas **Er Shun** and **Da Mao** and cubs **Jia Panpan** and **Jia Yueyue** before the exhibit opens to the general public! This means if you want to see them before the rest of Calgary, make sure you renew or purchase your yearly membership at www.calgaryzoo.com

During their time in Calgary, the giant pandas will stay at Panda Passage, an exclusive, newly constructed habitat that promises to be a unique experience where you can discover so much about these charming and elusive animals.

Did you know;

For decades, giant pandas were on the endangered species list, but recently their fortunes have changed for the better thanks to extensive recovery efforts. **The Calgary Zoo is a leader in wildlife conservation**, here in Canada and around the world. Your membership supports conservation efforts, with funds going towards supporting giant panda research projects. This will help further the conservation and recovery of giant pandas in the wild.

OASIS ENERGY ART WORK

Be prepared in the next coming weeks to see some wonderful art work placed in our office, Mr. Wang has generously hand picked each painting, and I am sure you will all adore and appreciate them just as much as Mr. Wang.

WEBSITE NEWS

Our website is up and running, thank you Ben for all the dedication you have put in to finalizing the web site, we appreciate it so much, and who would have thought you were such a great photographer! 😊 <http://oasis-energy.ca/>

OASIS ENERGY SHINNING STAR

Mr. Lawrence Chou;

For those who have never worked with Lawrence before I will share a few facts about him, he is the most dedicated, loyal, and resourceful man you will ever meet.

He is a team player who is willing to help in any area needing improvements or attention. He is ready to learn and grow with Oasis Energy and is always looking to educate himself and peers.

Lawrence is just as dedicated to his work as he is to his family, we at Oasis Energy are lucky to have him on our team!
